

DAILY BIBLE READING GUIDE 2020-2021

A Plan That Works

Many Christians have attempted to read the Bible from cover-to-cover only to become frustrated and defeated. An effective goal is one that is measured by time and an effective plan maps out success and identifies possible roadblocks. This Bible reading guide accomplishes these three things.

This guide has both a one and two year reading program. Either way, start with the first division and stay with this division until it is completed. Each division includes extra days so you won't feel guilty for missed days. At the end of the year there are two extra weeks. Your goal is to develop the discipline of daily Bible reading accompanied by grace for any missed days.

Staying On The Trail

All too often people become overwhelmed with one part of the Bible. This guide includes simultaneous readings from various parts of the Bible. This will prevent you from being "stuck" in one part of the Bible.

Before Reading

Before reading, pray and ask the Holy Spirit to help you understand what you are about to read. Whenever beginning a new book of the Bible, go online to a website such as www.biblegateway.com, or look in a study Bible to understand the original context and purpose of each book.

A Brief Testimony

I developed this plan and have used it over the years. I know that it works. God's Word always accomplishes His purposes (Isaiah 55:11). To be "in the Word" is to be in the center of God's will and blessings. Jesus Himself is called "The Word of God" (Revelation 19:13). "The grass withers, the flower fades, but the Word of God stands forever." (Isaiah 40:8)

Will Hope, Interim Pastor

First Missionary Church – Fort Wayne, Indiana
